

Orehard Fresh Pies

Our pies are made from only the finest, all-natural ingredients. Each pie is handmade at the orchard by our kitchen staff, carrying on the tradition of the finest quality pie on the market.

Our pie crusts are made from scratch, and then filled with only the freshest whole fruit containing no preservatives, water, starch, or additives. A top crust is placed over the pie before being hand-shaped and sealed. Placed directly in the freezer upon completion, these pies will bake for the first time right in your oven, filling the air with that delectable aroma.

- Convenient dessert - just freeze, bake and serve!
- Filled with fresh, whole fruit
- No preservatives, water, starch or additives
- Trans Fat-Free
- Hand-made with all-natural ingredients
